2. The total number of use of force complaints reported by civilians in 2018
3. The total number of use of force complaints reported by civilians that were sustained in 2018
4. All arrests data reported to the California Department of Justice via the Monthly Arrests and Citation Register program covering arrests made in 2017 and 2018, including (but not limited to) the age, race/ethnicity, gender, offense category (felony, misdemeanor, status offense), charge and disposition of arrestees.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 calendar days, as the statute requires.
